

Good morning

I hope you are all keeping well and looking after each other.

You may want to use number of the day <https://mathsstarters.net/numoftheday> as a quick starter.

If you could work through the statistics section today that would be wonderful.

Also completing one comprehension a day from of the work book that would be great.

BBC Bitesize is great for help if you need it.

Remember you also have a project to complete about Ancient Egypt over this week and you can be as creative as you can be!

Make sure you join the daily work out and maybe if you can enjoy a little bit of sunshine in the garden!

Take care and contact me by email if there is anything I can do to help!

amanda.dodson@flitcham.dneat.org

Kind regards

Amanda Dodson
