

25/3/20

Good morning

I hope you are all keeping up with your daily exercise hopefully you will join Jo at 9-00!
Can I thank you for some of your photos you all look really busy and like you are having fun.

As well as the Ancient Egypt project and your sports session today, make sure you keep up with your reading and spellings. In your booklets today make sure you complete at least a couple of pages for maths try looking at addition today, and a comprehension in English. You can use your booklets however suits you best so this is just a guide!

You could try some online English work on <https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar> and remember Topmarks also have their daily 10 for maths!

Look after each other

Amanda Dodson
