

January 2020

Dear Parents and Cares

Welcome into 2020! I hope you all had a lovely break making memories and developing family traditions. Thank you all for the support with the school play in the run up to Christmas, your support with costumes and practicing of lines helped with the success it was.

Thank you all for the lovely cards and gifts.

As always we have loads to pack into this term as the overview details. We will be linking our literacy with our Egyptian topic this term. Home work will continue to be given out on Tuesday, this will be revision of what has been covered in the Autumn term. Spellings will go out on Fridays and tested the following Friday. On top of all of that please continue to read with your children at home, using the tackling tables website and the letter join website.

As always any issues that arise please let me know.

Mrs Cressingham
