Welcome back year 3 and 4.

I hope you enjoyed the summer break and had lots of adventures. I am so excited about this year. I am very happy to be back with a class for more than one day! I cannot wait to explore what is planned with the children.

With the split classes it will take some getting used to but I'm sure in a week or so time it will feel like we have done it for years. In the morning we will be doing Maths and English as normal and added in a few extra bits. As years 3 and 4 we will be doing Art and Design technology as well as French and Music. After our hectic morning the children will split into the two other classes year 3 joining Miss Bartum and year 4 joining Mrs Brice where the other subject will be covered.

Forest schools will be on a Wednesday, Year 4 will join Mrs Brice all day and the Year 3 will be with me in the morning with years 1 and 2. Then escaping off to the woods in the afternoon. Please make sure children have the best clothing for them to enjoy forest school as the weather turns.

We will be continuing with the use of tackling tables and Sum dog. If you need a reminder of password, please get the children to ask or email me.

In the coming week's spellings and times tables will start to be sent home as well. As always please try to hear your children read and in turn share a story with them. I totally understand that this is tricky to do with working lives and I would suggest the mornings are the best time to listen to the children read and bed time for you to share a story.

If you have any questions or concerns, please feel free to email me.  
Mrs Cressingham
