Newsletter 1 Autumn Term 2020

11th September, 2020

It is wonderful to see everyone back at school and to see all of our lovely families at drop off and pick up, albeit at a distance. The children have settled back into school routines, including all the new routines so well and everyone seems really happy to be back. We would like to say a huge welcome to all of the new families that have joined Flitcham this term.

Christian Value

Our Christian value this term is Hope. This is to fit in especially with our Hope for a happy , safe start to the new school year.

PATHS

As part of our recovery curriculum we will be introducing the children to PATHS this term. PATHS stands for Promoting Alternative Thinking Strategies and is a focus on helping children to understand and express their feelings. You can read about it from this link and we will be sending an information document to parents with this newsletter.

Car Sharing

Please remember the government advice about sharing cars. If you are bringing other children to school with your own children, they should come from your family friends' bubble, **providing there are also in the same school class bubble**. As we are such a small school, if children travel in close confines with children from other families/bubble classes and anyone became poorly, it could effectively mean we would have to close the majority or entire school.
