

The Sandringham Federation:
SEND Provision

STAGE 3

*This stage is where more rigorous assessment may need to be made, or advice sought from outside professionals.

*In some cases, the discussion about whether the child needs to have an EHCP would be made and that process carried out.

STAGE 2

*For some children, they may need Stage 2, where there may be a discussion about placing them on the SEND Register.

*Assess/Plan/Do/Review would be put in place.

*Targeted support and intervention sought with termly meetings with parents, and child, to review targets and provision given.

STAGE 1

*All children receive Quality First Teaching.

*Adjustments may be made to ensure all children can access the curriculum.

*Some children may have little interventions which require them being placed on the Watchlist.
