

Hello Year One Children,

24/3/20

I do hope your first day of home schooling went well.

Please complete questions 6-10 for maths

Question 6. Observe strategies your child uses, eg, crossing out, counters, recalling number bonds of six.

8. Again, does your child recall number bonds to ten to solve this problem?

9. recalling number bonds of nine mentally?

10. Allow space for writing the different pairs. Does your child use trial and error and rapid recall of pairs? Is there a system used? Can your child show a different way of working this out?

Please read and write Common Exception Words, says, are, were, was, is, his, has I

Did anyone do the Joe Wicks PE session at 9.00am? I did! Shattered now, but feel good.

I'll be in contact soon.

Have fun tomorrow.

Mrs Sewell
